We will always do our best to ensure that the experience you and your child have at our office is as positive as possible. We take pride in knowing that we follow the standards and guidelines established by the Royal College of Dental Surgeons of Ontario.

Please remember to review the other side of this page 

It is our hope that we will always be able to see your child as promptly as possible on the day of your child's scheduled appointment. We will do our very best to help you understand your child's dental treatment needs and provide you with the information you need to make an informed decision regarding your child's dental treatment and oral health.

You will be expected to pay for the services provided on that day. We accept cash, debit card, VISA, and Mastercard. Cheques are not accepted. This office does not take assignment.

If you have **private dental insurance** please bring along your current insurance information so that we can expedite your reimbursement from your insurance company.

If you require an estimate or a pre-determination prior to your child's appointment please feel free to contact the office. Understanding your insurance is YOUR responsibility – we will be happy to help whenever possible.

If your child has **government assistance** – HSO, ODSP, NIHB – please remember to bring proper documentation. Without it we will not be able to see your child or you will be responsible for the fees associated with the services provided.

Please arrive at our office at the scheduled time. There is paperwork that needs to be completed before your child can be seen.

LATE ARRIVALS / SHORT NOTICE CANCELLATIONS – if you arrive late – more than 10 minutes – we will not likely be able to complete your child's appointment. We require 48 hours notice if you need to re-schedule your child's appointment.

Thanks for taking the time to review this information.

To ensure your child's place in our schedule we must be able to confirm the appointment 24 to 72 hours prior to the scheduled visit. We cannot guarantee that the appointment will be held if it is not confirmed.

If you do not arrive for your child's scheduled consultation appointment there will be a \$150 re-scheduling fee.

Please keep in mind – no treatment will be completed at the time of your child's consultation appointment.
